

Notes for borrowing materials from Multimedia Center:

1. Type of materials available for borrowing: CD-ROM materials such as DVD/VCD/CD, videotapes and audio tapes.
2. Materials with red-dot labels are new movies or popular films. They are only available for viewing inside the library.
3. Please duly comply with relevant provisions of Copyright Law in using audio-visual materials. In viewing these materials inside our center or playing such materials in public places such as a classroom, please choose audio-visual materials that have been authorized for “public broadcasting” and please pay due care to the scope of authorization. Audio-visual materials without authorization for public broadcasting can only be used at home. To avoid breaching the law, please do not engage in any reproduction or public broadcasting.
4. Audio-visual materials are pricy and fragile. Please use them carefully and avoid scratches. Please verify the materials before borrowing. You will be liable for compensating any damage.
5. Any other matters not provided for hereunder shall be subject to relevant provisions of the Library.
