Revision (Articles 2, 5 and 6) approved by 277th Administration Meeting on 29 November 2000

Revision (Article 2) approved by 292nd Administration Meeting on 27 November 2002

Revision (all articles) approved by 369th Administration Meeting on 28 March 2012

- Article 1. The National Chung Hsing University Library has established the National Chung Hsing University Library Consultation Committee (hereinafter the “Committee”) for the purpose of promoting activities of the library, effectively utilizing funding and achieving a balanced development of library collection.
- Article 2. The Committee is composed of the Director of the Library as its chairman and the Teaching Affairs Director, Student Affairs Director, General Affairs Director, Research and Development Director, International Affairs Director, directors of each school, Director of the School of Innovation and Industry Liaison and the Secretariat as members. One teacher’s representative shall be selected from persons who are enthusiastic about library activities by directors of each school. One undergraduate school student representative and one graduate school student representative shall be appointed by the Student Council.
- Article 3. The members of the Committee shall serve terms of 2 years. The same person may be re-elected after expiry of the term.
- Article 4. Main duties of the Committee members are:
1. Provide recommendations about revolution of library system and revision to important charters.
 2. Consultation and recommendation about library activity development plan and service items.
 3. Assistance with the establishment of distribution and utilization principles for library funding.
 4. Recommendation about other related activities.
- Article 5. The Committee shall meet once every school year. Special meetings may be held as required. Representatives from relevant divisions may be invited to join the meeting.
- Article 6. These articles of association shall be published and implemented following approval by the Administration Meeting. The same shall be applicable to any amendment hereto.
